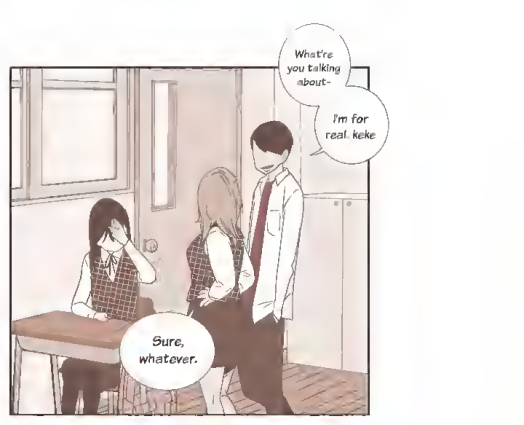
OUR RELATIONSHIP IS

Webtoon Beginning

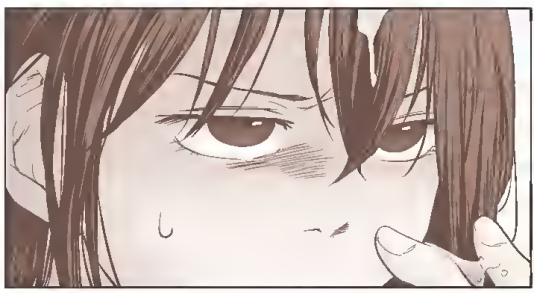
SHOVE-

SPIT

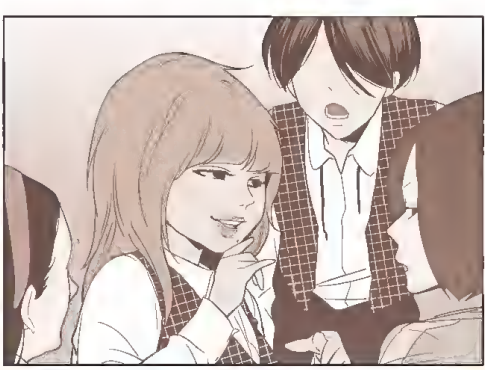
What? Someone was there.
I only spit because I didn't see anyone here.
At least make your lie convincible.



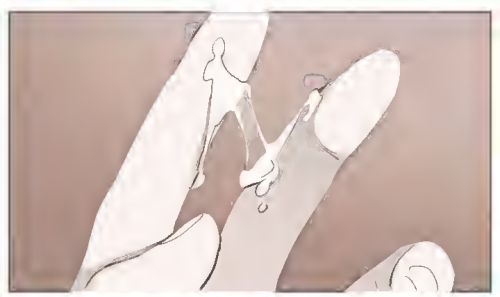
What're you talking about-
I'm for real. keke
Sure, whatever.



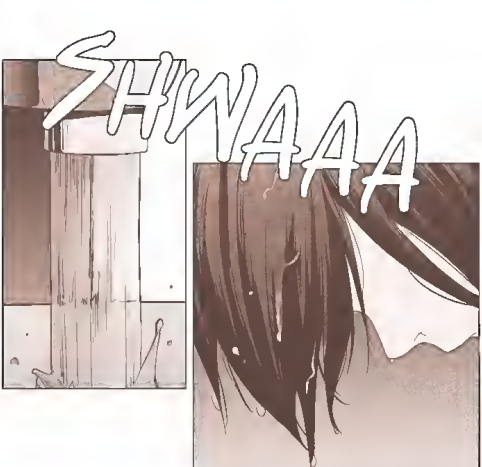
If I could take away a time in my life,
it would be my three years of middle school.



The girls would spread rumors about me and trash talk me behind my back,



And the guys would blatantly bully me like this, every once in awhile.

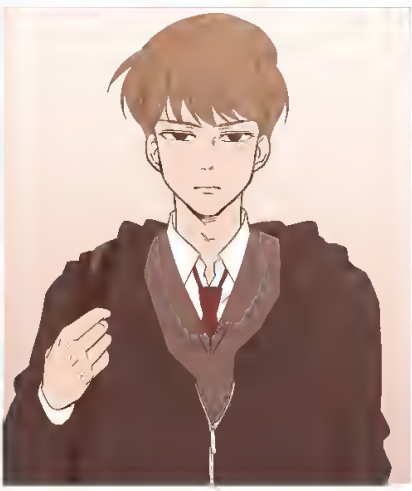


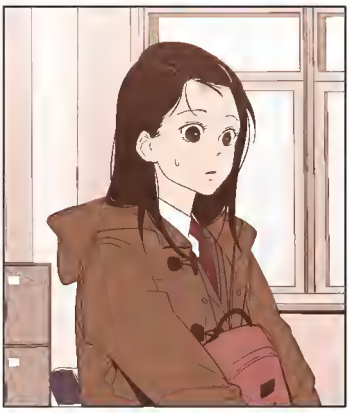
The guys are scary.

They'd use their strength to bully and torment others.

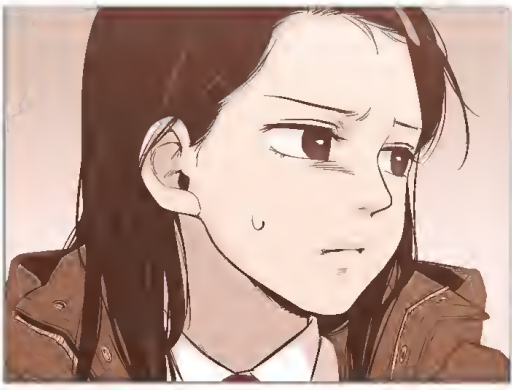
When I first met Han Woojin, I thought he was like them.

But somehow when I entered high school,
we became friends quickly.

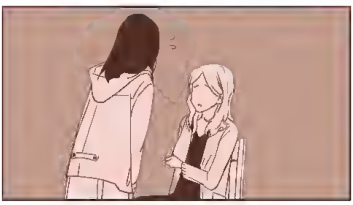




I don't know why, but one day Han Woojin suddenly started sticking close to me.



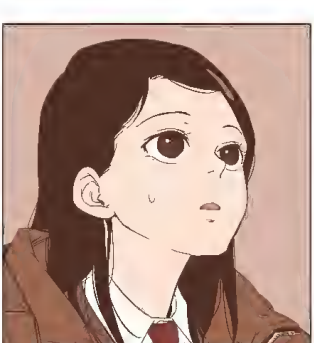
But I felt uncomfortable
with Han Woojin,



and I ended up telling his mother
that I would quit the group tutoring.

WHAT?
WHAT?

Do Gayoung, are you really quitting the group tutoring?!
AHHHHHHHHH
Ah...
Yeah.
I'm gonna study by myself.
WHY?!!



.....
...Is it because of me?

It was the first time someone had asked me so sincerely, so I was confused.
